

Minor Project ECE

1. Digital Thermometer
2. Infrared Remote controlled for home appliances switch
3. Digital Combination Lock
4. Security System Using laser Rays
5. Digital Clock
6. FM Transmitter
7. Advanced FM Transmitter
8. FM Receiver
9. Multi Siron
10. Automatic Water level controller
11. Automatic Water level controller with spoken Message
12. Automatic advanced water level controller
13. Fire alarm
14. Automatic traffic light controller
15. 25 Tune (Hindi song tunes)Musical bell
16. Gayatri Mantra Continious mantra chanting machine
17. Maha-mrityunjay mantra Continuous mantra chanting machine
18. Namokar mantra Continious mantra chanting machine
19. Shiramjairam jai jai ram Continuous mantra chanting machine
20. Sun-Down switch
21. Visitor counter
22. Pollution controlling Tower
23. Effect of current through a magnetic coil
24. Generation of electricity by moving magnetic field
25. Clap switch
26. Two digit industrial object counter
27. Three digit industrial object counter
28. Advanced Ni-Cad Battery Charger
29. Mobile charger using IC 555
30. Earth quack sensor
31. Business shops shutter guard
32. Robotic Car
33. Model Of Voting Machine

34. Copper Electro Plating
35. Wind Mill
36. Mobile shield
37. Intelligent automatic Three phase shifter system
38. Fastest Finger Quiz Master
39. Disco Light
40. Magic tester
41. Fused Tube Glower
42. Laser light fence
43. Parrot sound Electric Doorbell
44. Over Voltage Electricity Tripping switch
45. Power saving Electronic Choke For Tube-Lights
46. Solid State Lamp
47. Water level indicator
48. Variable Regulated Power Supply
49. Automatic Night Lamp
50. Extra ordinary staircase light switch
51. Automatic railway gate controller
52. Ultrasonic mosquito repellent
53. Letter box indicator
54. Multi purpose mix amplifier
55. Visual telephone locator
56. Quiz Timer
57. Intercom
58. Dancing bulb on music
59. Sun-Down switch
60. Infra red shadow detector
61. Temperature controller
62. Zener diode tester
63. Head phone amplifier
64. Magic Organ
65. Telephone tapping detector
66. Toy Telephone
67. Rain alarm
68. Electronic magic door lock using password

69. Lie detector
70. Mosquito repellent machine
71. Telephone Call detector
72. Fuse tube light glower without any choke
73. Morning alarm
74. Magic telephone lock
75. 3 in 1 circuit
76. Low price hearing aid
77. Rat repellent machine
78. Automatic Phase Changer
79. Flying Saucer
80. Anti-Collision Rear Light
81. Light Fence
82. MAT Switch
83. 5-Bands Graphic Equalizer
84. Clock Timer
85. Fully Automatic Emergency Light
86. IR Music Transmitter and Receiver
87. Electronic Horn
88. Ultrasonic Proximity Detector
89. Secret Bell
90. Variable Power Supply Using a Fixed-Voltage Regulator IC
91. Appliance Timer-Cum-Clap Switch
92. Telephone-Operated Calling System
93. Front Door Guard
94. Bell-Cum Light Controller
95. Friendly Charger for Mobile Phones
96. Hearing Aid
97. Speed Control of DC Motor Using Pulse-Width Modulation
98. Remote-Controlled Fan Regulator
99. Low-Power Voltage Doublers
100. Parrot-Sounding AC Doorbell
101. Multi-Melody Generator with Instrumental Effect
102. School/College Quiz Buzzer
103. Visual AC Mains Voltage Indicator

104. Simple Short-Wave Transmitter
105. Solar Lighting System
106. Infrared Bug
107. Picnic Lamp
108. Versatile Power Supply
109. Ultrasonic Proximity Detector
110. Shadow Alarm
111. IR Burglar Deterrents
112. Versatile Water-Level Controller
113. Automatic-Off Timer for CD Players
114. Heat-Sensitive Switch
115. Sensitive Vibration Detector
116. Digital Dice
117. Remote-Controlled Power-Off Switch
118. Little Door Guard
119. Stress Meter
120. Teleconferencing System
121. Medium-Power FM Transmitter
122. Smart Cell phone Holder
123. Fuel Reserve Indicator for Vehicles
124. Brake Failure Indicator
125. 5 channel radio remote control
126. 12V battery level indicator circuit (LED bargraph)
127. Air craft warning light circuit
128. Battery charger circuit using SCR.
129. Dark detector circuit
130. Door bell circuit using NE555
131. LED torch using MAX660
132. Light activated switch circuit
133. Rain alarm circuit
134. Remote controlled appliance switch circuit
135. Street light circuit.
136. Touch Switch Circuit
137. Water level Controller
